

MARC HUYBRECHTS NEW PRESIDENT CLECAT

Marc Huybrechts, President of VEA (Antwerp Freight Forwarding, Logistic and Works' Agents Association) and 1st Vice-President of CEB, has been elected as new President of the European Association for Forwarding, Transport, Logistic and customs services, CLECAT.

"I accept this as a great honor and I am aware of the challenges that I shall have to meet. I am particularly pleased with the presence of such distinguished professionals in the Board, from a very wide constituency of different EU countries. This is a good sign, which makes me confident for the future of CLECAT, despite the unavoidable difficulties that the present crisis has created in our sector".

He succeeds Mr Clive Broadley.
